Fall/Winter 2025

NADCA Die Casting Congress and Tabletop & AFCAT Metal FACT Onsite

The North American Die Casting Association (NADCA) 2025 Die Casting Congress and Tabletop was a tremendous success. The Congress and Exposition attracted approximately 125 exhibitors and over 1,000 attendees to experience the latest technology and services available to the die casting industry. Even the Milwaukee Brewers' Famous Racing Sausages came out for the event!

AMC and FDMC conducted a joint Weapon Support Richmond & Columbus meeting at ATI in Summerville, South Carolina on October 21 - 23, 2025. The teams discussed and planned initiatives to help DLA Major Subordinate Commands in the timely and cost-effective procurement of spare parts.

CAST-IT Seminars

On October 29 - 31, 2025, 43 individuals attended the DLA Weapon System Support Seminar in Columbus, OH. Out of the 43 attendees, 10 were selected for a foundry tour at Fisher Cast Steel. Guests commented on the quality of the presentation and described the seminar as very informative.

The Picatinny Arsenal in Rockaway Township, NJ, hosted a seminar on December 3, 2025, led by CAST-IT Engineers Gary Burrow and Mike Gwyn. There were 30 people in attendance.

“Thank you for all your assistance in bringing the Casting Class to Picatinny this week, it was great. Mike and Gary were exceptional instructors – they were highly knowledgeable, engaging, and answered so many of our questions; our students really appreciated the class.” – Quote from a training POC
